Who We Are?

INVESTMENT • LOGISTICS • GLOBAL TRADE

BPV INVESTMENT JOINT STOCK COMPANY is a Vietnamese enterprise committed to delivering practical, reliable, and flexible solutions across investment and logistics.

Our logistics capabilities cover **international sea and air freight, customs clearance, domestic transportation, warehousing, and related logistics services**. With a team of 20 professionals and a network of trusted international partners, BPV serves customers across various industries, tailoring solutions to different shipment profiles, operational requirements, and trade lanes.

We believe that long-term business relationships are built on **trust, responsiveness, and consistent execution**. By combining experienced professionals, strong partner connectivity, and customer-focused coordination, BPV provides efficient and dependable solutions to support the movement of goods **from origin to destination**.

Our goal is to become a trusted logistics partner for businesses seeking **flexible solutions, reliable execution, and sustainable long-term cooperation**.

SERVICE PROCESS

PROFESSIONAL • RELIABLE • EFFICIENT

STEP 01 — RECEIVE (Receive Information)
Receive shipment information: cargo type, origin/destination, estimated time, and specific service requirements from customers.

STEP 02 — PLAN (Planning)
Provide consultation and propose optimal routing, service structure, and a detailed operation plan.

STEP 03 — COORDINATE (Coordinate Execution)
Make bookings and coordinate with carriers/airlines, agents, and customs for clearance and inland services.

STEP 04 — MONITOR (Monitor the Journey)
Closely monitor key milestones of the shipment and provide continuous updates to customers.

STEP 05 — DELIVER (Deliver & Complete)
Coordinate delivery at destination, complete all shipment procedures, and hand over with the highest responsibility.

THE BPV

ADVANTAGE

A practical partner for customers looking for flexibility and reliable execution.

01 FLEXIBILITY
We adapt solutions to different shipment sizes, routes and operational requirements.

02 EXPERIENCE
Our personnel bring several years of practical experience in logistics operations.

03 CONNECTIVITY
International partner relationships help connect local execution with global trade lanes.

04 INTEGRATION
Freight, customs, domestic transportation and warehousing can be coordinated as one solution.

05 RESPONSIVENESS
We prioritize clear communication and timely follow-up throughout the shipment.

06 LONG-TERM VALUE
We focus on trusted partnerships and sustainable customer relationships.
